

Fairfield Harbour Yacht Club

July 4, 2016 Fireworks

Again this year we are going to the New Bern Grand Marina for our July 4 event. We have secured 25 spots for our club. They will try and put us as close as possible to each other. You may also come by car to this event.

The plan is that we go to NB Grand on July 3, be there through July 4 and return home on July 5. The night of July 3 there will be a splash on the dock beginning at 1630. Please bring an appetizer to share and your own beverage. Dinner will be on your own. On Saturday, July 4 we will have a splash at 1630 followed by a potluck dinner on the dock and then fireworks. Please bring a dish to pass and your own beverage. Also bring chairs for the fireworks. Louise and Patty will try to coordinate the different dishes so we have a variety.

The cost for dock space is \$1.25 per foot (30-foot minimum) and \$6.00 per ft. for 50-amp or \$4 per ft. for 30-amp service. They have mostly 50-amp service. If you are not a BoatUS member then the dockage is \$1.50 per ft. There is a two-night reservation minimum as this is a popular time of the year. This is a prepaid event as the marina has many requests for space this weekend. All reservations must be made by each boat and prepaid when you register. The marina also wants to know if you have a splitter to use as that may make a difference in your slip assignment.

We will have a sign-up sheet at the June meeting, or you can email me your reservation. The first 25 people that respond will be guaranteed spots. If we have more than 25 boats we will try and negotiate with NB Grand for additional slips.

PLEASE CALL THE MARINA TO MAKE YOUR OWN RESERVATION BUT ALSO SEND ME YOUR RESERVATION SO THERE IS A RECORD OF WHO IS COMING.

Cruise leaders are Marc & Patty Bergmueller, mbergmueller@hotmail.com, 626-0177 and Don & Louise Knight, dllnightnc@gmail.com, 514-0614.

Reservations are due by June 27, 2016. Captains' meeting is scheduled for Friday, July 2 at 1000 in Room 2 of the Activities Center.

Send Flyer to Don Knight at 2214 Caracara Dr.
