July 2016

Wow, we have had a lot of rain. The Chesapeake Cruise has been soaked, the Ocracoke Cruise was canceled because of Tropical Storm Bonnie, and the Overnight canceled because of thunderstorms. This seems to be the year for those impromptu overnights or cruises when a window of good weather appears.

Fun Racing is continuing through the summer. Hopefully the racers will find sun and moderate wind. This is a great way to spend a Tuesday evening, participating or as a spectator.

I understand the Nautical Trivia night at Sunset Grill was a big success with at least 60 people attending. A little competition, great food and lots of comradery. I will post the winners in the August Waypoints.

Boat Bash is this weekend with several yacht club boats primed to take New Neighbors out on the water for a few hours and then enjoy dinner together. Hopefully the weather will cooperate this time. Some of our new members from last year learned of the yacht club through Boat Bash.

July is a quieter month for yacht club activities, although there are still some waypoints to consider. First, the Fireworks Cruise July 3-5 at the New Bern Grand Marina. It was a great event last year and I know it will be a lot of fun again this year. Remember that you need to make your own reservation with the marina for a slip. I have heard that they are filling up quickly. You can also come by car for the potluck and fireworks on the 4th.

As cruise leaders, Don and I need a reservation slip in either case.

A Full Moon Raft-up is scheduled for the 17th. A lot of fun and close to home. Also, a Yacht Club dinner will be held the Wednesday after the General meeting. And for those of you who have been waiting for a cruise, Cape Lookout is always a delightful destination. Guess we will all be watching the weather and hoping that it will cooperate.

For those of you who are traveling to cooler destinations for the summer, have safe travel and we will see you in the fall.

have completed orientation.

Induction of New and Reinstated Members – Lynn Stateham announced that the new member information package is now available on the website. Mark West was thanked by Lynn for undertaking this task. Lynn then introduced new members approved by the Board: Steve Hustad and Anny Chiu sponsored by Gaskills and Fortenbaughs (approved last year), Jerry and Melissa Drake sponsored by Szakmeisters and Eckenroths, and Jim and Jody Fortuna (Jody was absent) sponsored by Davies and Greens. They were welcomed and presented with their burgees by Commodore Knight.

Minutes – A correction was made to the minutes of the May 12 General Meeting: the Education seminar on fiberglass repair was given by Vice Commodore King rather than Rear Commodore Jackson. After this correction, a motion was made and carried to dispense with the reading of the minutes from the May 12, 2016 General Meeting (Fortenbaugh / Mitchell).

Treasurer's Report – The Treasurer's report for May 2016 has been approved by the Board and is available for review.

FHYC General Meeting June 9, 2016

Commodore Louise Knight called the meeting to order at 1930 hours and led the members in the Pledge of Allegiance.

Welcome – Introduction of Guests. Carol Frysiek introduced Norm and Yvonne Meissner. The Meissners were attending their second meeting and

Jan Green, Secretary

THREE DINNER CRUISE

This year’s Three Dinner Cruise runs from August 18 to 21. We depart Thursday, 8/18 to the Galley Store Marina in New Bern and will walk to Morgan’s Tavern for dinner. On 8/19 we cruise down the Neuse to River Dunes for dinner and stay overnight. At both of these venues we will order from the full menu.

Saturday, 8/20 we are back up river to Oriental where we will join other FHYC members for Shrimparoo. Remember, you must sign up for Shrimparoo separately from the Three Dinner trip. A flyer is included with this issue of the *Semaphore*.

On Sunday, 8/21 we cruise back to Fairfield Harbour.

Act now! We are limited to 12 people to avoid room set-up charges and/or limited menu choices. We already have ten of those spots filled so there will be no flyer. If you wish to participate, call or email Cruise Leader George Stateham. All contact information is in the Yearbook.

Docking is not required. Anchoring is available at all three locations and all are accessible by land yacht. Just let me know your plans. If docking, I need your boat length and beam for the marina reservations which I will make for all three Marinas

The Captains’ meeting is Monday, 8/15 at 1000 hours, room 2 of the Activity Center.

Welcome New Members

Two couples were approved by the Board at its June meeting.

Jerry and Melissa Drake live on Castleton Court and are sponsored by Kathy and Gregg Szakmeister and Linda and Paul Eckenroth. They have a Silverton 39 power boat named *Drakes Dream*. They also have a home in Breckenridge, Colorado, where they spend time in the summer. Jerry will be working on the Marine Assistance Committee, and Melissa on the Storekeeper Committee.

Jim and Jody Fortuna live on Crooked Creek Drive and are sponsored by Chris and Stephanie Davies and Bill and Jan Green. They moved here from Richmond, Virginia and have previously belonged to the Sting Ray Yacht Club. Their boat is a Taswell 43 named *Tarantella*. They have both chosen Cruise Planning and Leadership as their committee.

Both couples have extensive cruising and boating experience. Please join me in extending a warm welcome to these new members and introduce yourself at the next meeting or event.

Steve Hustad and Anny Chiu became members in 2015 and have lived between Fairfield Harbour and Fort Wayne, Indiana. They wanted to wait until they were here together to be introduced. They attended the June meeting and in addition to being introduced, worked on the Hospitality Committee.

Do you have friends or neighbors who would like to join FHYC? Now you can download the application package forms from the FHYC website at <http://www.fhyc.us/fhyc/>.

Check out the right-hand column of the first page of the website which explains the process and find the forms under the "Administration" tab. No login is required. It is important to print all of the forms so you will have a complete package.

Thanks to Mark West for publishing this on the website. Please contact me if you have any questions.

FHYC Members in the News

New members (2016) Joe and Punk Pica are among several "Loopers" featured in a May 26 Wall Street Journal article about the Great Loop. This is a circumnavigation of the eastern half of the US via inland rivers, canals, and lakes, totaling more than 6,000 miles. Loopers identify each other by a distinctive white burgee outlining the route. Joe and Punk have earned their Gold Looper burgee three times, with many side trips.

Several FHYC members and former members have completed this trip, including John Brady and Fay Zerbo in the 1990s, Ralph and Linda Azersky who returned to FH in spring 2016, Dave and Polly Brown in 2003/4 and Hardee and Annemarie Gersbach. Doug and I first met the Gersbachs, who were flying their FHYC and Looper burgees, in the Erie Canal when we completed the Great Loop in 2007 and 2008. Without knowing us, Hardee appeared from his boat to help us with lines during a windy and rainy docking. Needless to say, we were startled and delighted to see the FHYC burgee as we docked!

June Education Report

Eighteen of our members enjoyed an interesting and informative visit to the NOAA facility in Newport on June 2. Joel Berberich did a great job of putting this program together for our members. Those who attended learned a lot about how weather data is assembled, converted into meaningful information and distributed to the public. We also took part in the launch of a weather balloon - their twice-daily responsibility. All-in-all, it was time well spent.

The Education Committee presented its June program, Bill Neilson's, Rules of the Road: a Review, on the eighteenth. We hope we saw y'all there. If not, we'll tell you about it next month!

Ruthie Levin's two-session class on navigation, emphasizing our local and nearby waters and destinations, was completed earlier this month.

The Education Committee does not have programs scheduled for July or August. Our experience has been that too many of our members are putting their boating knowledge to practical good use on the water or are otherwise away from Fairfield Harbour during the summer months. Our next program will be in September. Watch for information in the August Semaphore for information on Kathy King's program on medical information and materials to have on board your boat.

Here are some photos from our NOAA visit. Hope you enjoy and have a great summer on the water!
